

# Cockpit User Interface

- EN
- FR

This page describes the layout and main components of the Cockpit user interface.

For more information about the Cockpit homepage, see [About Cockpit](#).

- The name and email address associated with your account. From this drop-down menu, you can sign out from Cockpit as well as access the following information:

  - Personal information & access keys. For more information, see [Getting Information About Your Account and Quotas](#).
  - Your quotas and current consumption. For more information, see [Getting Information About Your Account and Quotas](#).
  - Users and policies management. For more information, see [Elastic Identity Management \(EIM\)](#).
  - Cockpit settings.
- The Cockpit changelog, that highlights features and improvements brought to 3DS OUTSCALE's services. For more information, see [Cockpit Changelog](#).
- The Region of your account. You can access the Cockpit interface for other 3DS OUTSCALE Regions from this drop-down menu.

Even if your account is synchronized with another Region, you need to log in again with your corresponding credentials when switching Regions from Cockpit. For more information, see [About Your Account](#).
- A link to the 3DS OUTSCALE Support web interface, where you can open tickets to our Support team for assistance with your account and Cloud resources.
- A link to the 3DS OUTSCALE documentation.

6	The display language of the interface. You can switch to English or French from this drop-down menu.
7	The navigation panel, that enables you to navigate through the different pages to manage your Cloud resources.
8	<p>The current page, from which you can display and manage the corresponding resources.</p> <div data-bbox="237 352 1435 436" style="border: 1px solid #c8e6c9; padding: 5px; margin-top: 10px;">Depending on the page, you can filter and sort your resources in the tables using the button.</div>
